A New Source of Rubber

The discovery of a new source of La-

gos rubber, from a tree known to the

natives as the "ire," or "ireh," has

milk, which is coagulated by allowing a quantity to stand for some days in a

cavity made in the trunk of a tree, so

that the watery portion evaporates or

soaks into the wood, leaving the solid

portion behind, which is kneaded and

pressed together into a solid mass, or

the milk is placed in a vessel and boil-

ed, the rubber beginning to coagulate almost immediately heat is applied.—

ASTOR PROPERTY IN NEW YORK WORTH NEARLY 5200,000,000.

There Is No Sentiment In the Management of This Vast Property-Tenant Must Face the Music-Not Very Pro gressive and Wait For Others to Lead.

reat American landlord with disfavor. He is associated in our minds with the dea of high rents, demanded the instant they are due, with unfulfilled promises as to repairs and little improvements | the noble owner of the mansion is exhat would add so much to our comfort and with many other small annoyances can unfaithful, the man hostile. Through the obscurity of these preju

ces it is doubtful if many of us see m clearly or judge him fairly. ording as we are near moving day or ot and as we secure repairs we are apt | months in Budapest. -San Francisco regard him as a very disagreeable rson, indeed, with few of the higher man attributes or else the reverse, al in the meantime we pay rent and rate him because he continues to exand the law protects him. Perhaps the best example of

ferican landlord is Astor, or rather Astors. The interests of this famous w York family are so numerous and extensive, so widely distributed and varied in character, that as landlords icty, occupying every kind of struc agement of their properties, and, after Il. this is true of the management of

most real estate in this city. As landlords the Astors demand the market rate for rents, and they demand t the first of every month or quarter is the case may be. Sooner than make naterial concessions in the amount paid on a lease the Astors will allow a house to remain vacant, not one sea son or year only, but two, three or more years, and if then a good tenant is not at hand the building will be al tered, provided the condition of the neighborhood requires it. It is appar but they are well up to the average. No one possibly requires more assur-

ance of responsibility in tenants than carefully. If you are unknown or car not show who you are and what yo have got, and that you are fairly cer tain of being able to meet the rent the term of the lease, do not try to rea an Astor house, You will be refused. As a matter of fact, the Astor rent rolls, if one could secure copies of them rectory, far more reliable within the imited sphere, perhaps, than anything ever attempted in this city. Ninety-fiv per cent of the persons whose names are on them pay the rent they agreed to pay on the first of every month. Those the rolls who do not disappear when ing made by the People's Light and their leases are up or before if possible Power Company to its plant on the The Astors are not hard landlords, bu

ever occasion demands. Though of Dutch stock the Astors have no feeling of friendliness for the country. A building is in course of wanted, even at the high rates he offers construction to take the place of the and neither is any other sort of tenant structure will be seventy-five by 110 From time to time, of course, persons into Astor properties, but when discovered they are ousted as quickly and as quietly as possible.

So far as improvements go, the estates are behind many of the other large building. After January 1, it is said, landlords and a host of the smaller ones Dudley Farrand will succeed Philip N. Up to a very recent period the manage Jackson as general manager, on account ment of the family possessions was ex of Mr. Jackson's time being required ceedingly unprogressive, and it is hard for his duties as president of the comyet. It is urged in defense of this policy that various sections of the city which Astor holdings are large are at present undergoing a change and that alterations appropriate in character will bers, associate members, and friends of be made later. That is the trouble wit W. C. T. U. will not deny the Union the the Astors. They are always backward pleasure of their company at their an- in aiding a change. Their conservation holds them in check, while smaller and weaker men take the risk, and ofter Nov. 30th, at the hall on Washington they stand in the way of progress 1 Avenue. No effort will be spared to presenting immense blocks of proper directly in the line of great improve

> them, they will alter also, but they are always the last to do so. In the matter of individual repairs lecorations and the like they are no iberal, but they have the reputation of doing what they promise. Usually residences are put in order before the new tenant goes in, and then the occupant has got to be very careful. It is not expected by the estates that much money will be spent upon the house except at

long intervals. The Astors hold few tenements flats directly, though they own the ground upon which hundreds of suc structures stand. This kind of building is not popular with either branch the family, and they only have to do with it so far as receiving leasehold rents are concerned. Dwellings in great number and comprising all kinds, from one bringing in hundreds yearly to one yielding thousands, and business and office buildings and hotels are chiefly the income producers aside from the leasehold properties.

How much those rents amount to per haps only the Astors can tell, but the real estate of the two branches of the family is worth nearly \$200,000,000, according to a conservative estimate, and most of it is rented. If it averaged per cent, the yield would be \$9,000,-000 to \$10,000,000 a year, to be divided between two men -New York Herald.

century the which is quite galiod of the ongarian aristonacy. Their country chateaux are lordly in nothing but their hospitality. If a stranger drives up in his carriage to the entrance door of a Hungarian chatero, immediately fore the master of the house has made his appearance, a legion of servants rush forward and carry the visitor's
